Filling in forms affects all our lives, yet as an aspect of design, forms are often overlooked. This unique sourcebook shows what good form design can achieve: order forms, invoices, applications, and questionnaires should be designed to focus on the essentials and so make the communication of information faster and simpler. But if a form is too complicated, confusing, or obscure, it can become a barrier to communication, wasting time and money and harming perceptions of a business or brand. Successful forms do exist: efficient, streamlined, and even stylish. But they are a real challenge to create. Packed with practical advice and inspiring ideas, the form book brings together a comprehensive collection of great designs for both print and digital media, showcasing a range of thoughtful, elegant, or witty approaches to form creation.
